MULTIPLE TOURISM AWARD WINNER

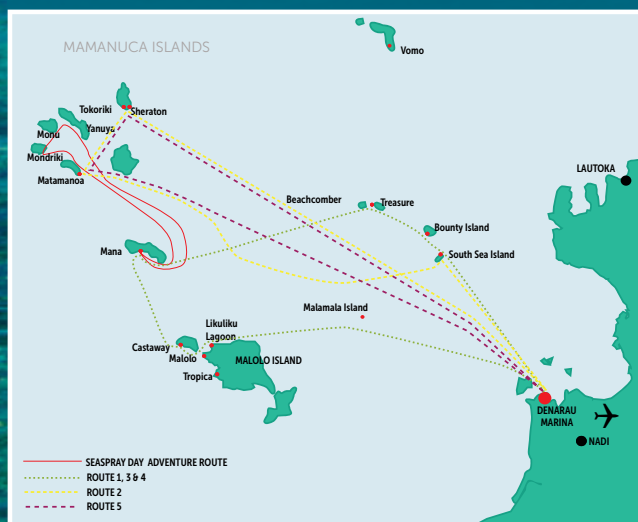

Yasawa Islands

The remote Yasawa Island group consists of a chain of 20 ancient volcanic islands, four of these islands have dramatic elevations with summits just short of 600 metres above sea level. The pristine white sandy beaches and dramatic monoliths surrounded by crystal clear lagoons provide a stunning environment where you'll see a more traditional Fijian way of life and enjoy Fiji at its best.

Mamanuca Islands

The Mamanuca Islands, just off the coast from Denarau, offer beautiful crystal clear waters, palm-fringed sandy beaches and coral reefs that we all dream of.

There are islands, villages and fabulous resorts to visit, with magnificent snorkelling and swimming. So on your visit to Fiji don't miss the beautiful Mamanuca Islands - take a day trip with South Sea Cruises and enjoy!

Seaspray Day Adventure

You'll then have the chance to explore the village and meet the locals. For a list of customs to be observed whilst visiting the village see the bottom of the page.

Passengers travel to and from Mana Island on board our fast catamaran (where you transfer directly to the yacht) so as to maximise the cruising time amongst the most beautiful island areas.

South Sea Island

Fiji's most popular day cruise destination
One island - 4 cruise options

4 CRUISE OPTIONS

OPTION 1 FINDING NEMO

If you would like just a short trip out to South Sea Island then this is the cruise for you.

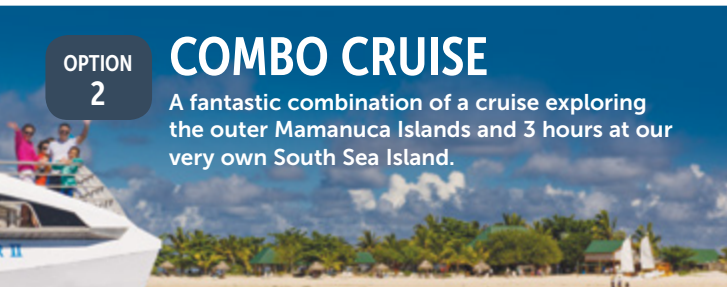

Within 30 minutes you are there and you can spend two hours at the island and be back in time for lunch (or maybe a siesta!). See the stunning underwater world of the Marine Sanctuary that surrounds the island with its colourful coral and magnificent fish life. You don't even have to get wet as we'll take you to view all this in our semi-submersible vessel "Coral Explorer". Sit beneath the surface viewing the coral and fish through large panoramic windows.

After this fascinating trip you can spend some time ashore relaxing, kayaking, swimming or snorkelling. Enjoy the complimentary drinks on the island. For prices and departure details see the next page.

A short and interesting trip - ideal for those with young families. The kids might even find Nemo!

OPTION 2 COMBO CRUISE

A fantastic combination of a cruise exploring the outer Mamanuca Islands and 3 hours at our very own South Sea Island.

On the island there are loads of activities on offer - great snorkelling and watersports or take the semi-sub ride to see the spectacular coral and fish life. Sea air makes you hungry so we know you'll enjoy the tasty barbecue lunch with a cold Fiji beer (or two) and other complimentary drinks.

After lunch, board the high speed catamaran for your cruise around the beautiful Mamanuca Islands. You'll see many of the islands including Bounty, Treasure, Beachcomber, Mana, Castaway and Malolo Islands.

OPTION 3&4 FULL & HALF DAY

For the greatest fun under the sun you can't beat a day at South Sea Island, the closest day trip island.

Just 30 minutes from Denarau aboard a high speed catamaran, our uninhabited island is surrounded by crystal clear waters and magnificent coral reefs. Our Fijian crew will give you a warm welcome as you step ashore onto the sandy beach. Then the island and all its activities are yours to enjoy. The hardest part is choosing what to do first!

You can enjoy snorkelling, diving and kayaking, perhaps a massage or just lazing on the beach. It is one of the few islands where there is still good access to the sea at low tide and we also have a swimming pool.

Another great feature of your trip to South Sea Island will be a ride beneath the waves in our semi-submersible vessel to explore the coral reefs and see the magnificent tropical fish life in the surrounding Marine Sanctuary.

There are a number of different options for you to enjoy this jewel of an island. A tasty barbecue and salad lunch is included (except on "Finding Nemo") and beer, wine and soft drinks are included whilst you are on the island.
